

Installation Steps:

1. Mark the point on the ceiling according to the holes of the mounting bracket, drill the holes, stuff the expansion screw pipe into the holes, screw the screw to fix the mounting bracket on the ceiling by the screwdriver (Not Included).
- 2-3. Install the wooden frame with screw nut to the round pieces of metal.
4. Install the top wooden cover.
5. Install the chain to the top wooden cover.
6. Install the wooden finial.
7. Screw the finial black nut.
8. Connect the same color of wire together with the wire nut, then connect the lamp wire to the power supply according to the wire color with the connecting terminal (U.S. -- black for "L", white for "N", copper wire for "Ground"; Europe -- brown for "L", blue for "N", yellow and green for "Ground").
9. Fix the light fixture to the mounting bracket of the ceiling.
10. Screw the mini screw to fix the lighting fixture on the canopy by screwdriver (Not Included)
11. Install the light bulbs (Not Included).

Attention:

1. Please disconnect the power supply until you finish the installation, we recommend installation by a licensed electrician.
2. Please allow a little color difference due to different monitor and 1-2cm error due to manual measurement.
3. If there are any quality problems, missing parts or other something wrong of the item, please kindly contact with us and we will help you with the satisfied solution.
